

Pistols & Pearls

Ladies, this is our third month of Adventure together!
This month we are taking a trip to
the Fresno Rifle and Pistol Club on Auberry Road in Clovis.
This is an outdoor shooting range and we will have knowledgeable people
assisting and giving instruction before we begin.
Please join us on Saturday, May 22nd from 9:00 am to 11:00 am
for a time of fun at the shooting range.

What To Bring:

Firearm
Ammunition
Protective ear muffs
Protective eyewear
Baseball cap or hat of some kind
Completed Liability Waiver
Driver's License

PS

Cost: \$30.00

All Ammunition has been severely restricted so please purchase yours as soon as possible. A background check is now required for all ammunition and can cause delays. They do not sell ammo at the range.

We will be sharing a range, so each person will load a magazine, fire their magazine and rotate to end of line. All guns to remain on range.
